

Lunch 'n Learn: AODA Series

Accessibility for Ontarians with Disabilities Act (AODA) - Part 2

Final proposed **Accessible Built Environment standard** and You . . . Get Ready!

Answering your questions:

What is the ABES?

What does it mean for me?

What does it require me to do?

When does it come into effect?

This presentation will review the latest version of this important piece of future legislation to answer the obvious questions, highlight what's unique and how these requirements differ from the OBC and other accessibility standards.

Presented by:

Bob Topping is a Canadian architect, president of **DESIGNABLE ENVIRONMENTS**, and member of the Global Alliance for Accessible Environments and Technologies (GAATES). He has focused his 30 year career on accessibility issues and universal design.
